

SAVVY CHAIR

4-Leg • Caster • Cantilever • Rocker • Gas Lift • Cafe Cantilever • Cafe 4-Leg

Savvy embodies the characteristic design principles of modernism. This spirited perspective, implements the crucial pillars of reductive modernism that will inspire others to follow.

4-Leg Chair

Available in both our junior and senior chair shell sizes!

Available in 12", 14", 16", and 18" sizes, making it the perfect seating choice for every grade level and learning environment.

Our design team has paid profound attention to the details of proportion, surface, and lines to create the beginnings of a modernist vision of a calming environment that inspires intrinsic learning behaviors while removing the noise of over design in a classroom.

Explore some of the different Chair bases the Savvy Chair is available in!

Caster Chair

The Savvy Chair shell is available in the following chair bases: 4-Leg, Caster, Cantilever, Rocker, Gas Lift, and Cafe 4-Leg, and Cafe Cantilever.

Rocker Chair

Without hesitation, we have chosen our path by allowing the freedom of our design team to create a modern interpretation of today's classroom seating suited for exceptional learning environments.

Cafe Cantilever Chair
